## Musical Chairs—Dunrovin Style

No, we're not going to pull a chair away when the music stops. Instead, we are going to keep adding more music and more chairs until we have everyone within reach singing, whistling, humming, tapping their feet, or dancing along.

Music lifts our spirits, engages our minds, tickles our fancies, and gets our blood running. It is healing for the body, soothing for the soul, inspiring, and a strong link to our past. It provokes memories and emotions. Music brings us closer to ourselves and others than any other form of communication.

Dunrovin's Musical Chairs Program intends to fill our D@D Community with all sorts of sounds, music, and motion, and to bring us together for fun and frolic. Please join us!

# Charla Bauman—Our Music and Sound Guide

Charla Bauman is a lifelong musician, singer, and songwriter with a range of interests and talents as wide as the state of Montana. She does it all—from classical, to cowboy, to casual, to old-time standards. Equally wide is her circle of musician friends with whom she

Charla has been a regular performer at Dunrovin Ranch for many years. Her generosity is as big as her talents. Charla loves nothing more than getting people involved in jam sessions, sing-alongs, and passing the music back and forth to create something new on the spot and celebrate the moment.

We can't think of a better person to serve as our guide through the world of music and sound. With Charla's leadership, we are sure to enjoy many different performers, musical forms, and instruments from expensive handmade works of art to an ordinary carpenter's saw. She is sure to expand our horizons with sound and music.

Charla's first D@D sing-along broadcast will take place from the Brookdale Missoula Valley Senior Residence on Tuesday, April 23, 2019 at 2PM Mountain Daylight time.
